Homecoming Mums & Garters

Mari's Mums

Here to make your Homecoming Memorable!

What started as a hobby during my sophomore year of high school evolved into a business venture that I am so excited to see grow! My passion for mum making is driven by the joy of others and the small part my mums and garters can play into making your homecoming as memorable as it can be!

Each mum I make is custom-tailored uniquely to the preferences of the client based on the girls' /boys' height, color choices, and mum/garter package. If you would like to schedule a zoom meeting to view my products or if you have any questions, please contact via email - paintedbymarianna@gmail.com

Thank you for considering my services!
Happy Homecoming!!
